Novi, MI 48374

The Job Fair:

Is the premier recruitment event for students, engineers of all disciplines and trained technicians, with all levels of experience. More than 70 of Michigan's largest engineering, technology and management corporations are expected to attend. If you are looking for a full-time or part-time job, internship or a co-op opportunity in any discipline of engineering or technology you won't want to miss this event.

Companies will be recruiting professionals in the following areas:

Engineering (all disciplines) including: Architects, Chemical, Civil, Computer, Design, Energy, Electrical, Biomedical, Environmental, Aerospace, Transportation, Biofuels, Manufacturing, Mechanical, Programming, Technical and other engineering and technology related fields.

Entrance fee of \$15 includes:

- Entrance into the ESD Job Fair
- 1 Year membership to The Engineering Society of Detroit – a \$94 value! (To receive this offer you must be a new first-time member).
- Opportunity to network with corporate employers from the engineering and technology fields throughout Southeastern Michigan.

Pre-Registration:

On the day of the event candidates who have pre-registered will enter through an express lane. Other candidates must check in at the door and register with the Job Fair staff in order to enter the fair. (Registrations must be received by October 22, 2008 in order to be considered pre-registered. After this date all registrations must be completed onsite at the Job Fair.)
