CALL FOR PRESENTATIONS

In its 20th year, this conference, the only one of its kind in Michigan, is designed to educate small to large commercial and industrial businesses on energy technology, products, and services that will assist them in successful energy management. The event draws close to 850 people every year.

You are invited to submit a presentation proposal. Presentation time slots are 30 minutes and can feature a case study or proven example that addresses any of the following topics:

- Energy Optimization
- Financial
- Mechanical
- Project Management
- Energy Control Systems
- LEED Certified Projects
- Lighting Controls/Systems

SUBMISSION REQUIREMENTS:

- Submit an abstract of your oral presentation that:
 - + Is no longer than two paragraphs, noting which of the five topics above your presentation addresses.
 - + Clearly presents a topic that is related to energy efficiency.
 - + Outlines the benefits attendees will take away from your presentation.

DUE Friday, February 10, 2017

- E-mail your presentation abstract including title, author, affiliation and e-mail address in PDF or Word format to:
