

## The Engineering Society of Detroit's 2010 Outstanding Young Engineer of The Year Award

Please observe the following rules:

1. Nominees must be under the age of 35; please be sure to include candidates full name, address, phone number and/or cell phone number and email address.
2. All entries must be typed on standard 8 1/2 x 11" paper, on one side of the sheet.
3. Clearly identify each section in the entry with the correct Roman numeral and the alphabetic division. (See attached requirements.) For section three please choose the Professional Activities and/or Community Activities that you feel that you have excelled in to qualify for this award.
4. All entries must be received no later than **5:00 p.m. on Friday, March 12, 2010. No deadline extensions will be granted.**
5. Candidates must be ESD members.
6. **Questions?** Contact Sue Ruffner at [sruffner@esd.org](mailto:sruffner@esd.org) or (248) 353-0735, extension 117.
7. Entries must be submitted by the nominee, signed and returned to:

### **2010 Outstanding Young Engineer of the Year Award**

The Engineering Society of Detroit  
Sue Ruffner, Office Administrator  
20700 Town Center, Ste. 450  
Southfield, MI 48076

(248) 353-0735 Main Number ... (248) 353-0736 Fax ... [sruffner@esd.org](mailto:sruffner@esd.org) Email

There is no limit to the number of nominees from any organization entering the awards competition, providing each meets the minimum eligibility requirements and complies with the entry rules. A person may be nominated more than one year.

The award will be presented at the Society's Annual Awards Program held yearly in June.

**The Engineering Society of Detroit's  
2010 Outstanding Young Engineer of The Year  
Nomination Requirements**

**I. Education**

- A. *College Background:* Degrees held, years in which they were granted, fields of study for each and college or university granting the degree. Include graduate and post graduate work and board certification where applicable.
- B. *Academic Honors:* List any academic honors received.

**II. Work Experience**

- A. *Present and Former Positions:* Present employer, position, length of service, responsibilities and accomplishments.  
Names of companies or organizations, positions, titles, length of service and responsibilities for any other organization since graduation. Include internships and co-ops if applicable
- B. *Work Experience:* List special projects/assignments/accomplishments, etc.

**III. Professional Activities**

- A. *Patents, Papers, Professional Publications:* Any new devices, methods or theories devised all or in part by nominee; includes patents or patent applications and any pertinent information.  
Any papers, journal articles or books published as a result of every day work or other work, giving the complete citation for each.
- B. *Public lectures:* Lectures, tutorials, speeches, debates and papers given and other pertinent public appearances related to engineering. Give date, subject matter, location and audience.
- C. *Societies:* Professional and honorary societies in which membership is held. Include any offices held and dates. **AND/OR**
- D. *ESD Activities:* Participation in ESD activities, conferences, committees, Future City Competition, etc.

**OR**

**IV. Community Activities**

- A. *Community Activities:* Civic, professional and philanthropic activities, youth work, charitable organizations and churches.
- B. *Miscellaneous:* Any non-engineering publications, lectures or debates. Give location, date, audience and subject matter.

**V. References**

Names, addresses and telephone numbers of three non-relatives familiar with your commitment to the above activities. Reference letters should be sent directly from candidate's management following management's review of candidate's application. Form letters nominating more than one candidate will not be accepted for consideration.
