

Confidential - ESD College of Fellows Nomination Form
Deadline for Completed Applications: February 10, 2012

***Qualifications for Fellow Member for The Engineering Society of Detroit:** The Fellow grade of membership is one of unusual distinction and shall be conferred only after proper nomination and selection by the Fellows Executive Committee of The Engineering Society of Detroit.

Fellow Criteria: Fellow Candidates shall have been members in good standing for at least five years. The candidate shall be a person of outstanding and extraordinary qualifications and experience in his/her profession as evidenced by accomplishments in the following major areas:

1. **Technical Achievement** (including Publications & Patents, Honors & Awards and Academic Service or Leadership)
2. **Professional Achievement** (including Professional Society Service and Leadership (non-ESD), Honors & Awards and Academic Service or Leadership.)
3. **ESD Service and Leadership** (including Honors & Awards.)
4. **Community Service or Leadership** (including Honors and Awards)

Application Instructions: Please provide the information required as completely as possible. Incomplete or improperly submitted nominations can result in returns to the nominator for correction. The nominator must be an ESD Fellow or an ESD Member with the support and signature of an ESD Fellow who is familiar with the nominee. Feel free to attach additional sheets when added space is required. You may attach letters of reference, resumes or other items of importance. Send completed application forms and attachments to The Engineering Society of Detroit, Attn: ESD Fellow Nomination, 20700 Civic Center, Suite #450, Southfield, MI 48076, or Fax: 248-353-0736 or via e-mail to LBirman@esd.org
