

THE ENGINEERING SOCIETY OF DETROIT®
FOUNDED IN 1895

Become an ESD Member

The Engineering Society of Detroit

Founded in 1895, The Engineering Society of Detroit (ESD) promotes and celebrates excellence, innovation, cooperation, professional growth and fellowship in the engineering, scientific and allied professions. ESD is a multi-disciplinary society uniting engineers, scientists, architects, educators and related professionals to enhance professional development, foster growth of future leaders and improve communities.

Benefits of ESD Membership

- **FURTHER YOUR CAREER** through multi-disciplinary educational programs that enhance your personal and professional skills.
- **STAY CONNECTED** to over 83 engineering, scientific, educational and technical societies through the ESD Affiliate Council.
- **NETWORK** with industry leaders, technical experts and peers at ESD events or via the ESD online member directory.
- **GIVE BACK TO THE PROFESSION** by supporting programs such as the ESD Speaker's Bureau and ESD Institute.
- **MENTOR** kids in your community to foster tomorrow's engineers and scientists through programs like the Future City competition.
- **SAVE MONEY** through ESD discounts on individual and corporate health, auto, home, and life insurance; legal services; credit union services, online file storage; entertainment discounts, special credit card offers and more!
- **FIND A JOB** at the ESD Job Bank.

Becoming an ESD Member

To become an ESD Member, complete the membership application on the reverse side or fill out an online application, visit www.esd.org. For more information, please contact Lori Birman at 248-353-0735, ext. 120, or lbirman@esd.org.

ESD MEMBERSHIP DEMOGRAPHICS

ESD members are decision makers and leaders:

- 30% mid-level engineering/technical management or project engineers
- 26% owners, presidents, and top management
- 16% product design, research and development, and project management
- 15% operating management, administrative and technical engineering
- 8% manufacturing, environmental & quality control
