Meeting Room Rental Information

The Engineering Society of Detroit (ESD), centrally located in Southfield, Michigan, offers meeting space in our award-winning, energy-efficient headquarters. Our staff of Certified Meeting Planners manage events and programs of all sizes, from one-day board meetings to international conventions. We know the level of quality you expect, and we deliver! Let us help you plan the perfect meeting!

For more information or to reserve a room, contact Tim Walker, CMP, at (248) 353-0735, ext. 115, or twalker@esd.org.

Above: ESD offers SMART Board technology, as well as microphones and speakers at an additional cost. Below: ESD's classrooms can adjust from a combined space to accommodate large groups (shown here) to smaller rooms for breakout sessions.

For rental quotes, questions & catering:

Please contact Tim Walker, CMP, at (248) 353-0735, ext. 115, or twalker@esd.org.

“Recently we rented classroom space at ESD.... This turned out to be an outstanding experience due to ESD’s central location and easy access. The service provided by ESD staff was superb and made everyone feel comfortable in a professional setting. We will certainly consider using the facility again and recommend the same to others.”

— Suresh C. Bansal, PhD, PE
President, HEV Technology Center
